GIFT AID DECLARATION

Please help us further by signing here if you are a UK taxpayer!

I want the charity to treat all donations I have made in this tax year and the previous six tax years, and all donations I make from the date of this declaration as Gift Aid donations, until I notify you otherwise.

I understand that I must pay an amount of United Kingdom income tax and /or capital gains tax at least equal to the tax the charity reclaims on my donations in each tax year (currently 25p for each £1 given).
